

AUDIENCE FEEDBACK FROM PRESENTATIONS

- **“John presented very effectively and was easy to understand.”**
- **“Very good material and presentation; very applicable to our work environment.”**
- **“Facilitator knew his subject and was excellent at understanding questions and responding with a real world example.”**
- **“Provided great info and insight into the Millennial generation, how to motivate and retain them.”**
- **“It will definitely increase my awareness in general for the ‘junior’ team members.”**
- **“There are several points in the presentation that will help me become an effective leader/manager.”**
- **“The examples are great!”**
- **“Great program; very relevant to my current situation at work; will help a great deal.”**
- **“This was an extremely thought-provoking subject and I really enjoyed it. It gave several ideas on how to improve the efficiency of my company.”**
- **“The speaker was very engaging. Thank you! The best thought of the presentation was the last one about learning to persuade someone instead of commanding them.”**
- **“I found all parts to be relevant and helpful. John was very articulate and clear when he explained each topic. “**
- **“Good speaker and content. He seemed to know his research and information and made it relevant to our work.”**
